

# The Industry's Premier Consumer Products Nonwovens Event

## Dynamic Conference with Insightful Topics to Help Guide Your Company's Success

- The retail landscape is changing. What will it look like in ten or fifteen years? Dan Butler, National Retail Federation, Vice President Retail Operations, will discuss this and more.
- Hear nationally acclaimed economist Dr. James Smith speak on the global economy. Voted "Best Forecaster" three times by the Wall Street Journal.
- Find out about the latest advancements in materials to help grow your business.
- The aging U.S. population will definitely change the way you develop and market your products. Are you ready for this historical demographic shift? What impact will this have on our industry?
- See new machinery & equipment innovations that will give you that competitive edge and improve your bottom line.
- Discover the latest market trends, including how to tackle rising raw material prices and supply chain issues.

Register today for the best VISION® yet . We're kicking the event off Monday night with an INDA Reception at the famous Pat O'Brien's for what is certain to be a fantastic evening with food, drinks and fun. Then you'll be ready to experience all that VISION has to offer. VISION 2012 is an event not to be missed!

## More Networking Opportunities

- Start your networking at our private Kick Off Reception! Join us at the famous Pat O'Brien's on Monday night . Be sure to RSVP when registering.
- Speed networking luncheon puts you in front of customers in a casual fast-paced format.
- The ever popular Reception/Table-top Event has been expanded to two nights and during lunch, giving you more face time with customers.
- Crowdvine® website only for VISION 2012 attendees. Use it before the conference to network with other attendees.
- New! Second Harvest Food Bank charity outing followed by dinner, drinks and jazz. Fun networking while helping the New Orleans community.
- Need a special introduction to a fellow attendee? Ask us, we can help!
