

Jacob Holm Group Announces New Office in Seoul, Korea

Basel, Switzerland, May 8, 2019 - Jacob Holm Group, an industry leader for innovative, high quality, spunlaced nonwoven fabrics, is pleased to announce the opening of a new sales office in Seoul as the most recent expansion of the company's presence in Asia.

With sales offices already established in China, Japan and Malaysia, the Jacob Holm Group is delighted to expand further in the Asia-Pacific region. The new South Korea office comes in response to growing demand for our nonwoven fabrics in the Korean market and offers a valuable regional presence to support and grow this business.

"The decision to expand in South Korea was a logical step in our business growth strategy", said Martin Mikkelsen, CEO of Jacob Holm Group. "We see great opportunities in the Korean market, and the new office will greatly enhance our capability to serve new and existing customers in the region. We are fully committed to building an enduring presence in South Korea and to investing in long-term partnerships with our customers, distributors and suppliers."

Sincerely,

Martin Mikkelsen
